

# **Flood Alert—High Tide**

The downtown area of the City of Port Orchard will be facing high tides the week beginning February 1st. High tides this week could exceed 13.6... 13.7. These tide levels may bring some flooding to our downtown area. Additional rainfall could expand flooding prone areas.

Business owners and residents are encouraged to prepare for possible flooding. Sandbags are available from 8:00 am – 4:30 pm by calling 360-876-2722. Please also be aware of potential road closures.
