In 2015, get connected and get prepared! In this day and age, information is just a click away. Here are some resources and ideas to help you get started!

- Follow the Kitsap County Emergency Management’s tip of the month advice: http://www.kitsapdem.org/

- Get updates and information when disasters or emergencies happen. Sign up for our alert and warning program: https://www.piersystem.com/go/site/1082/

- Post updates and get current news during emergencies. Like us on Facebook: https://www.facebook.com/KCDEM

- Prepare emergency kits for your home, car and office. Ideas on emergency kit supplies can be found online at: http://www.kitsapdem.org/library.aspx

- Put together a 12- month calendar dedicating one hour each month on obtaining an emergency preparedness item http://mil.wa.gov/other-links/publications
