SHORELINE ADVISORY COMMITTEE MEETING NOTES

Wednesday, August 18, 2010

5:30 p.m.

Attendees: Michelle Marshall, Jeff White, Beth Cottrell, Jennifer Haro (Staff)

1. Introductions

2. Discussion

a. Shoreline Regulations

The Committee addressed a red-lined version of the current SMP Use matrices. This version had crossed out the Rural, Urban, Urban Maritime, Downtown Upland and Downtown Marine environments, but kept the regulations visible to enable the Committee to see regulations that were currently there. The new Shoreline Residential designation was the only one addressed. There was discussion on the first two pages of the matrices, and recommendations were agreed upon.

The Committee also recommended adding an Administrative permit to provide a level of review between being allowed outright, and requiring the extensive public process that a conditional use permit (CUP) requires.
