The City of Port Orchard and Waste Management schedule two annual Clean-Up weeks, one in the Spring and one in Fall.

During this week, City residents are provided an efficient means to have mattresses, furniture and assorted bulky junk disposed of at reduced cost and hauled to the landfill by the City. There is a fee for some items. The City resident pays for these items in advance in the Treasurer’s Office at City Hall and places them, along with other allowed clean-up week items, at the street curb with their regular garbage cans.

The City will not carry items from private property. There is no charge for the collection and disposal of most smaller items. Items must be boxed, bagged, bundled, or easily handled. The total volume of the collection must fit into a space 4 feet by 4 feet wide and 4 feet high.

If the items do not comply with the City requirements, the City will not pick it up. The items will not be allowed to remain on the property or street.

**White Goods**

White goods, such as stoves, washers, dryers, refrigerators, and freezers can be included for Clean-up week. The City will, for a fee, haul white goods/appliances to be recycled. Fees for white goods/appliances should be paid, in advance, at the Treasurer’s Office located in City Hall. The City will take items that have been paid for to the recycle site. White goods/appliances must be placed at the curb on the normal garbage collection day.

**ALL ITEMS TO BE DISPOSED OF MUST BE ON THE STREET CURB WITH THE REGULAR GARBAGE CANS ON THE EVENING BEFORE THE RESIDENT’S NORMAL GARBAGE COLLECTION DAY. THE CITY CREW WILL COLLECT THESE ITEMS ON THE NORMAL COLLECTION DAY.**
